

Official Opening of Gadens Lawyers Dandenong Office

Thursday, 23 June 2011

A Message from the Attorney-General, Hon. Robert Clark

My warmest congratulations to Gadens on the opening of the new Dandenong office.

For more than 160 years, Gadens and its predecessors have provided dedicated and professional legal services to meet the needs of Victorians.

Over this time, Gadens has developed a strong network of offices and professional contacts across Australia and Papua New Guinea.

Now, Gadens is extending its network to the Greater Dandenong area.

The opening of the new Dandenong office represents an important step in the history of the firm.

As one of the fastest growing municipalities in Melbourne, Greater Dandenong is a manufacturing and business hub that supports Melbourne's thriving southeast growth corridor.

This new office will give residents and businesses in the growth corridor and beyond access to quality legal services right on their doorstep. It will also contribute to a growing service infrastructure that will add further to the strength of the Greater Dandenong area.

May I wish the new Dandenong office and all who work in it every success in the years ahead.

Robert Clark MP
Attorney-General
